Sir:

This is an Information Disclosure Statement submitted under 37 CFR 1.97-1.98, within the time period specified by 37 CFR 1.97(c).

A form PTO/SB/08 and a copy of the reference listed therein are attached. The reference was cited in an Office Action by the Chinese Patent Office on a counterpart Chinese application. The Chinese Office Action is dated June 8, 2007. Accordingly, the following statement is made pursuant under 37 CFR 1.97(e)(1): each item of information contained in this Information Disclosure Statement was first cited in a communication from a foreign patent office in a counterpart foreign application not more than three months prior to the filing of this Information Disclosure Statement.

The reference listed on the attached form PTO/SB/08 is written in the Chinese language. To provide English language information about the relevance of the reference, corresponding international publication WO 96/32784 is attached. It is noted that the

international publication is not listed on the attached form PTO/SB/08 because formally citing it as a reference in this IDS would be inconsistent with the above statement under 37 CFR 1.97 (e)(1); instead, the international publication is attached merely to provide English language information about the cited reference.

It is respectfully requested that the reference listed on the attached form PTO/SB/08 be considered (with the aid of the attached international publication) and made of record.

Respectfully submitted,
